

## TELL ME THAT YOU LOVE ME

[Verse 1]

No more lazy mornings with you lying next to me  
No more late night talking before we lay our heads to sleep  
No more looking in the mirror with you stepping on my feet  
Without your arms around my shoulders, I've lost the strength to be  
Come and set me free

[Chorus]

Will you stay with me tonight  
And pretend it's all alright?  
Tell me that you love me  
The way you used to love me  
Will you whisper in my ear  
Those three words I wanna hear?  
Tell me that you love me  
The way you used to love me

[Verse 2]

Even if you don't mean it, won't you say I'm still the one?  
Hide the way that you're feeling and make believe I still belong  
And nothing's changed since you've gone

[Chorus]

Will you stay with me tonight  
And pretend it's all alright?  
Tell me that you love me  
The way you used to love me  
Will you whisper in my ear  
Those three words I wanna hear?  
Tell me that you love me  
The way you used to love me

[Bridge]

One last time to hold you  
And one last time to tell you  
All the things I should've said before  
But just once more...

[Chorus]

Will you stay with me tonight  
And pretend it's all alright?  
Tell me that you love me  
The way you used to love me  
(Tell me that you love me)  
Will you whisper in my ear  
Those three words I wanna hear? (Whoa)  
Tell me that you love me  
The way you used to love me

[Chorus]

Will you stay with me tonight

And pretend it's all alright?

Tell me that you love me (Tell me that you love me)

The way you used to love me (Tell me that you love me)

Will you whisper in my ear (Oh)

Those three words I wanna hear?

Tell me that you love me

The way you used to love me
