## NEW Language Production

- I would like to teach CLIL
- The subject I am interested in is ...
- My objective is ....
- I expect my pupils to learn about (in terms of function, structure, vocabulary)
- I will be using the ..... approach
- As for management I will use individual activities, pair work, group work, workshops, plenary report
- I will start from a brainstorming
- After that I will provide pupils with new INPUT
- All the skills will be practiced
- I will use ICT to meet pupils' needs
- The stages of my learning – teaching process will be:
- Warm up – practice- - production
- A test will follow
- Eventual reinforcement or remedial work will follow
