

Losing My Religion Tori Amos (R.E.M.)

me, me...
me in the corner
me in the spotlight
losing my religion
thought that I heard you laughing
thought that I heard you sing
I think I saw you try
consider this
consider the lengths that I would go to
the slip that brought me to my knees
and I don't know if I can do it
oh no I said too much
I set it up
thought that I heard you laughing
thought that I heard you sing
life is bigger
bigger than you and you are not me
the lengths that I would go to
hey, I said too much
I set it up I think I saw you try
it's me, me...
me in the corner
losing my religion
trying to keep an eye on you
and I don't know if I can do it
oh no, I said too much
I set it up
thought that I heard you laughing
thought that I heard you sing
losing my..
it's me
it's me...
can't you see

Me, me, me in the corner, me in the spotlight, losin' my religion.
Thought that I heard you laughing.
Thought that I heard you sing.
Think I saw you try. Na na nun... yeah.

Consider this, consider the lengths that I would go to.
A slip that brought me to my knees,
An' I don't know if I can do it.
Oh no, I said too much. I set it up.

Thought that I heard you laughing. Thought that I hear you sing, yeah.
Mmm... na na na num... hey... who...

Life is bigger. I'm bigger than you, and you are not me.
The lengths that I would go through.
Hey, I, I said too much. I set it up.
Think I saw you try. Hmm... oh hi... hey...
It's me... me, me in the corner, mmm...
Losin' my religion, tryin' to keep an eye on you,
An' I don't know if I can do it.
Oh no, I, I said too much. I set it up.

Thought that I heard you laughing,
And thought that I heard you sing.
Aha... Losin' my- mmm... hmm...
It's me. It's me. Thought I heard you sing. Ha da da... hoh.
