

THESIS:

notetaking is a basic skill for life in different context

FIRST ARGUMENTATION

The lack of notetaking ability means deficient performances in life;

EXAMPLE

Teacher- prepared notes or ready-made power point slides don't improve student's performances.

SECOND ARGUMENTATION

Students should take notes in a way useful for them.
They have to use their personal languages.

SECOND^A ARGUMENTATION

They should carry out a personal process of:

- active listening
- understanding
- selecting primary and secondary tip
