Mail #5: Lake Tahoe

Good morning class,

last month I didn't have the occasion to write any letter, so now I want to catch up talking about Lake Tahoe. It is a beautiful vacation destination in all seasons. The lake is one of the biggest and deepest in USA. You can do a lot of activities there. My American parents have a second house there, so we end up going there a lot. In autumn, we hiked a lot and we went all around the lake, the trip took an entire day. In winter we went snowshoeing and I started to take lessons to learn how to snowboard. I only took two lessons. It is really fun. The last time I went, there was a big storm the day before my lesson, so the snow was fabulous.

In the winter, when it snows and you are outside, it looks like being in a snowglobe. It is really pretty.

Miss you all

Love

Chiara
