Aim

In this PowerPoint's presentation i'm going to dedicate a slide for each chapter and i'm going to explain the function of each one.

Narrative Techniques

1. Third person narrator -> It allows the author to narrate the events without expressing personal judgments;
2. Body language -> Needed to understand the inner thoughts that the two characters feel;
3. Broken Syntax -> Temporal jumps of a few months which interrupt the narration, and then resume it.
