Rangali Island, Maldives

Ittha Undersea Restaurant

Ittha is the world's first undersea restaurant. It's about five metres below the sea and has fantastic views because it has glass walls. You can sometimes see sharks! Visitors go to a small building and climb down some stairs to the restaurant. It's a really cool place to eat for up to fourteen people. The restaurant serves six courses at night and four courses at lunch time. It's great for really fresh fish and seafood, but they also serve meat dishes. And the desserts are delicious too. A meal costs from €90 to €200, but it's worth it!
