## MY FAVOURITE CHARACTER OF GENERAL'S LADY

My favourite character of General's lady is Jiner Shen. She is from a Chinese noble family and, ~~for~~ <sup>according to</sup> the emperor's ~~wanting~~ <sup>wife</sup>, she has to marry Chu Xiu Ming, a successful general. Since the beginning, Jiner proves to be a determined and clever girl, but also a lively and ~~altruist~~ <sup>unselfish</sup> person. During the first two episodes, she accepts to change her life, despite her ~~wanting~~ <sup>desire</sup> to be free. I like ~~this central~~ <sup>her</sup> character because she is naive, frank, but above all positive and ready to start a new chapter of her life ~~without regrets or rebels~~ <sup>I rebellious</sup>. I think that this attitude will ~~permit~~ <sup>allow</sup> her to be happy and maybe to ~~live~~ <sup>be</sup> in love with her husband.

OK!
