Why not listen to **Natalie Dessay ?**
I am glad to start this page suggesting: classical music .
I am very fond of the Natalie's interpretation of Mozart as for example: .

- 'Se tutti i mali miei'
- No, che non sei capace'
- 'Vorrei spiegarvi, oh dio!

which I highly recommend, but also something you can listen to on the net will do.
Just some suggestions

- Lakmé - "Air des clochettes or
- Queen of the Night
- Lakmè. The Bell Song 

Do you prefer other sopranos?
**What about Maria Callas 's ?**

- Casta Diva - One More
- Amami Alfredo (La Traviata)

Also some religious piece is really worth listening

- Schubert's Ave Maria
- Veni Creator Spiritus - Gregorian Chant

**Marsha Long's**

- Schubert's Ave Maria Latin Version
