Session V. Tuesday March 31st, 2009. CLIL

The present session will be arranged into two parts.

PART I

Teachers will be invited to introduce their personal projects to be linked to the one planned during the previous session and connected to the introduction of America to nursery and primary school students.

The units will follow the framework presented in the 3rd session.

See [Lorena's proposal](#)

PART II

It will be devoted to language practice . After an initial moment of grammar revision, group work and chain activities will follow. Different functions and structures will be practiced also with reference to the resources below.

- [English For Life . Preintermediate](#)
- [Subject Pronouns - Verb "to be"](#)
- [General Grammar](#)
