Remembering Steve Jobs

This page is for a friend of mine. He suggested I should publish a page about the genius of Steve Jobs.

I had already implemented it for my students some years ago but now I have followed his idea to share it.

- Read [the article](#) from The Guardian October 6th, 2011.
 - The article [off line](#)
- Steve Jobs from **The New Yorker**
- [The speech. Text](#)
- Parallel Text [off line](#)
- [Analysis of the speech off line](#)
