PPP Programmazione e Progettazione Percorso Didattico

October 26th, 2007

During the first section the [programme](#) including objectives, content and sample activities of the module will be illustrated.

It provides you with an overall idea of the module structure and organization.

After introducing the topics that will be object of study and shared discussion, a workshop was organized about one' linguistic biography. Therefore ideas were shared about what trainees considered effective practices and methods to promote language learning referring to their personal experience as language learners.

[A Plenary Session](#) will synthesize the results of the workshops.

Some [Guidelines](#) for the workshop were provided.

November 2nd, 2007

English

The session was devoted mainly to the newly entered group of trainees who introduced themselves and told about their previous experiences with studying the languages. Each trainee added comments to their peers reflection and a short summary of the topics dealt with in the previous session was given.

Also some hints about the research project to be prepared for the final exam were provided with the support of the documents that are provided by the link below.

Italian

La sessione è stata interamente dedicata alla presentazione da parte dei tirocinanti di francese del I anno delle loro esperienze relativamente allo studio della lingua. La presentazione ha consentito un ulteriore livello di discussione sollecitata dalle riflessioni dei pari.

Nel corso della lezione sono state fornite informazioni relative alla stesura del research report che dovrà essere preparato per l'esame finale con il supporto della documentazione sotto fornita in collegamento ipertestuale.
