

Sofia Carson is a force of nature, rising to the pinnacle of all things engaging in entertainment with grace and style. She has forged a singular path in music, film, television and philanthropy. Carson currently stars as Cassie in the Netflix hit film *Purple Hearts*. She is also an executive producer and co-wrote and performed the film's original soundtrack. *Purple Hearts* is the #1 movie globally on Netflix with over 150 million hours viewed in first 10 days of release. Carson is an award-winning and award-nominated singer and songwriter. To date, he has garnered over 2 billion streams, over 8 billion in total music consumption, and reached No. 1 on the Billboard Top 200.

She recently released her self-titled debut album, *Sofia Carson*. The magnetic pop album, available now ([link HERE](#)) via Hollywood Records, tells the story of a girl who falls in love, only to be torn apart, yet still survives. This year, she performs the song "Applause" from the upcoming film "Tell It

Like A Woman," written by legendary Academy Award nominee Diane Warren. As an actress, she has starred in Netflix's *Feel The Beat*, Michael Bay's *Songbird*, *Pretty Little Liars: The Perfectionists*; and the global phenomenon *Disney Descendants*. As a philanthropist, she stands out as a US Ambassador for UNICEF.

She is dedicated to using her voice to engage youth across the United States in the relentless pursuit of a world that is equal for every child through the lifesaving power of education. performs the song "Applause" from the upcoming film "Tell It Like A Woman" written by the legendary Oscar nominee Diane Warren.
