

SURRENDER

We let the waters rise

We drifted to survive

I needed you to stay

But I let you drift away

My love, where are you?

My love, where are you?

Whenever you're ready, whenever you're ready

Whenever you're ready, whenever you're ready

Can we? Can we surrender?

Can we? Can we surrender?

I surrender

No one will win this time

I just want you back

I'm running to your side

Flying my white flag, my white flag

My love, where are you?

My love, where are you?

Whenever you're ready, whenever you're ready

Whenever you're ready, whenever you're ready

Can we? Can we surrender?

Can we? Can we surrender?

I surrender

Ooh-oh-oh-oh

I surrender
