

## THE TENDERNESS BEHIND THE FLOWER

原谅总是沉默的人

Those who forgive are always the taciturn individuals

距离太远会变无声

A distance too long will result in silence

有些感觉并不适合承认

Some feelings are not suitable to be admitted

与其回避你的眼神

Rather than avoiding your eye contact

动摇我的一丝可能

It has stirred a sense of possibility in me

那就趁你看穿我以前转身

Taking the opportunity before you see through me, I turn around

以为我多神秘

(You) thought that I was mysterious

是你不够聪明而已

Rather, it's just that you aren't smart enough

那么靠近却又和你保持距离

So near yet maintaining a distance from you

就不必担心会失去

Then there will not be a need to worry about losing you

守在你的背后比牵起手温柔

Protecting you from you back is gentler than holding your hand

只让你的背影躺进我的胸口

Only allowing your shadows to lie in my chest

把爱藏在背后陪我隐形温柔

Hiding my love behind my back accompanies my invisible gentleness

像最好的知己不打扰你心动

Like how a bosom friend does not bother your heart

悲伤也像无痛

Sorrow also seems painless

流泪也用笑容

Tears are also accompanied with a smile

没开始的冲动也就没有最后

An impulse without a beginning also doesn't have an ending
