

F.R. David - Words don't come easy to me

Words don't come easy to me

How can I find a way to make you see I love you

Words don't come easy

Words don't come easy to me

This is the only way for me to say I love you

Words don't come easy

Well, I'm just a music man

Melodies are so far my best friend

But my words are coming out wrong

Girl, I reveal my heart to you and

Hope that you believe it's true 'cause

Words don't come easy to me

How can I find a way to make you see I love you

Words don't come easy

This is just a simple song

That I've made for you on my own

There's no hidden meaning you know when I

When I say I love you honey

Please believe I really do 'cause

Words don't come easy to me

How can I find a way to make you see I love you

Words don't come easy

It isn't easy words don't come easy

Words don't come easy to me

How can I find a way to make you see I love you

Words don't come easy

Don't come easy to me

This is the only way for me to say I love you

Words don't come easy

Words don't come easy
