

THE MYSTERIOUS STALKER

On a cold, dark night, Elissa was working late at the office. It was already midnight when she finally finished her work. As she was leaving her office, she realized the streets were now empty. She was all alone. While she was walking back home, she heard some footsteps behind her. She turned around to look, but no one was there. So, she continued walking, but she could still hear footsteps behind her. Elissa is scared now, and she started to run but the footsteps behind her got louder and faster. Someone was chasing her!

As she was running, she saw a cemetery. She quickly ran into the cemetery and hid there. When Elissa was hiding, the footsteps stopped. Maybe she lost him. Just then, Elissa remembered, there is a 24-hour convenience store (minimarket) nearby. She can go there for help. She quickly ran to the store. She went inside and begged a man for help.

'Please help me. I was walking home and someone was following me. I can hear his footsteps!'

But the man said to her:

'Lady. The footsteps are yours. The soles of your shoes came off.'
