

ACTIVITY I

Collect the main details of the description under the following headings:

- Buildings
- Land
- Water

ACTIVITY II

The writer aims to strike the reader's attention and imagination mainly by using two techniques:

- Accumulation (e.g. of details, of adjectives, etc.)
- Contrast (e.g. of details, of words, of ideas, etc.)

Find examples of both techniques in the text

Read the passage from C.Dickens'Hard Times and compare them with the description above.

A note down all the elements the texts have in common.

B note similarities or differences in the attitude of the two writers towards industrialization.
