

Twofold structure of space

the colliding worlds

Industry
(Vic Wilcox)
Managing Director
at Pringle's engineering

Academia
(Dr. Robyn Penrose)
English Lecturer at the
University of Rummidge

DIFFERENT DIMENSIONS

Geographical

Superiority of
Male/industry/economic capital

and

Social

Inferior counterpart
female/university/cultural capital

BINARY OPPOSITION

*"Meaning is generated by
the difference to the other elements"*
(Roland Barthes)

the familiar *versus* the strange

**Exclusion of everything that is
strange-unknown-threatening
within the frame of society**

different life modes

VIC

University seen as alien, inscrutable, vaguely, threatening

ROBYN

The shock of the foundry and its hellish appearance
