

How To Write A Great Newspaper Article

Writing A Great Newspaper Article

This page will teach you how to write a newspaper article (and make it great). Learn how to correctly format a newspaper article through examples and learn how to cite or reference a newspaper article correctly for a school assignment.

We read and are influenced by newspaper articles on a daily basis. Newspapers and the articles contained within provide information on current events and issues with interpretation and analysis. Newspaper articles also provide entertainment and are a reference for television, sport results, movie listings, community events and weather reports.

Newspapers use pictures and captivating headlines to draw in readers and hold their attention. Writing a great newspaper article can require an informative and persuasive language including emotive words, imagery and rhetorical questions.

The following hints, tips and ideas will help you write a newspaper article for your local newspaper, a school assignment or just for fun.
