

## LOVE

A shadow on a wall  
Just a projection  
And, I feel my soul Like a connection.

Satisfying my wishes  
Where is my illusion?  
Waves full with fishes  
Going on.

My conviction is still there Falling is pretty dangerous Is this just a lie? Why  
am I so nervous?

I am just wondering!  
Why am I unable  
The world is falling down
