

THESIS

TAKING NOTES IS A VALUABLE LIFE SKILL

If you are able to take good notes, you will be more effective
in pursuing your goals → SENTENCE OF CAUSE EFFECT

Helps somebody to remember information

You will only truly understand concepts and then you will process them

you construct a conceptual mental representation of the ideas

your notes act as a record of your thinking and they provide the source material for
your next creative or business project

When you make your notes, you are sorting, selecting, and combining new
information with your existing knowledge
