# Violation of Human Rights

ARTICLE 37. La donna lavoratrice ha gli stessi diritti e, a parità di lavoro, le stesse retribuzioni che spettano al lavoratore

It is not respected  
because there is  
a wage gap

A recent United  
Nation study  
showed that  
women earn 23%  
less than men

## Growing up

- women do not have the same opportunities as men
- Doris was expected to be a wife, a mother, or something like a nurse or a teacher.

## Lispeth

- Lispeth was supposed to become nothing more than a nurse or “something genteel”; she was meant to marry someone with her same origins.
