

SALS Strategies for Writing

The present section is aimed at providing a series of resources that may help the implementation of writing strategies.

H. Douglas Brown wrote some interesting pages about interactive approaches to language pedagogy and, in his 2001 book, he provides suggestions, guidelines and procedures that may be of real help to trainees. [Consider Some of His Principles](#)

Here below you will find some resources to consider for your future practice training experimentations.

Process Writing may be of help:

[Resource 1](#)

[Resource 2](#)

[Resource 3](#)

[Some More Practice Examples](#)

To the previous suggestions I feel useful to add also some resources about

Collaborative Writing

[Guidelines for Collaborative](#)

[Cooperative Activity: An Example](#)
