Research Reports. Some Examples

You may need to have a look at a completed research report.
Some trainees who have now finished their training course (Mrs. Amorosi Agnese and Ms. Lugnan Susanna) were so kind as to provided me with their final reports.
The titles of their reports are are:

- **Teachers, Teaching and Total Quality Management (TQM)**
- **Teaching Literature Through Physical Senses**

If you are interested to see them, please contact me.
