Sopranos

Why not listen to **Natalie Dessay ?**

I am glad to start this page suggesting: classical music .

I am very fond of the Natalie's interpretation of Mozart as for example:

- 'Se tutti i mali miei'
- No, che non sei capace'
- 'Vorrei spiegarvi, oh dio!

which I highly recommend, but also something you can listen to on the net will do.

Just some suggestions

- [Lakmé - "Air des clochettes](#) or
- [Queen of the Night](#)
- [Lakmé. The Bell Song](#)

Do you prefer other sopranos?

What about Maria Callas 's ?

- [Casta Diva](#) - [One More](#)
- [Amami Alfredo](#) (La Traviata)

Also some religious piece is really worth listening

- [Schubert's Ave Maria](#)
- [Veni Creator Spiritus - Gregorian Chant](#)

Marsha Long's

- [Schubert's Ave Maria Latin Version](#)
