## January 25th, 2008. Introducing Reading Strategies

**English** 

The present session is devoted to revising listening strategies and foster reflection on reading strategies that may support students'reading practices as well as raising their awarenness on what makes a good reader.

Trainees will be provided with some resources to use and exploit to prepare learning processes that have reading strategies as their favourite aim.

- reading strategies
  - outlining a Reading Lesson and Microteaching
