

IWB - LIM. Interactive White Board - Lavagna Interattiva Multimediale

The present session is devoted to the introduction of a new multimedia tool in the school context.

It will provide guidance and support to those teachers who would like to experiment new teaching and learning contexts with the

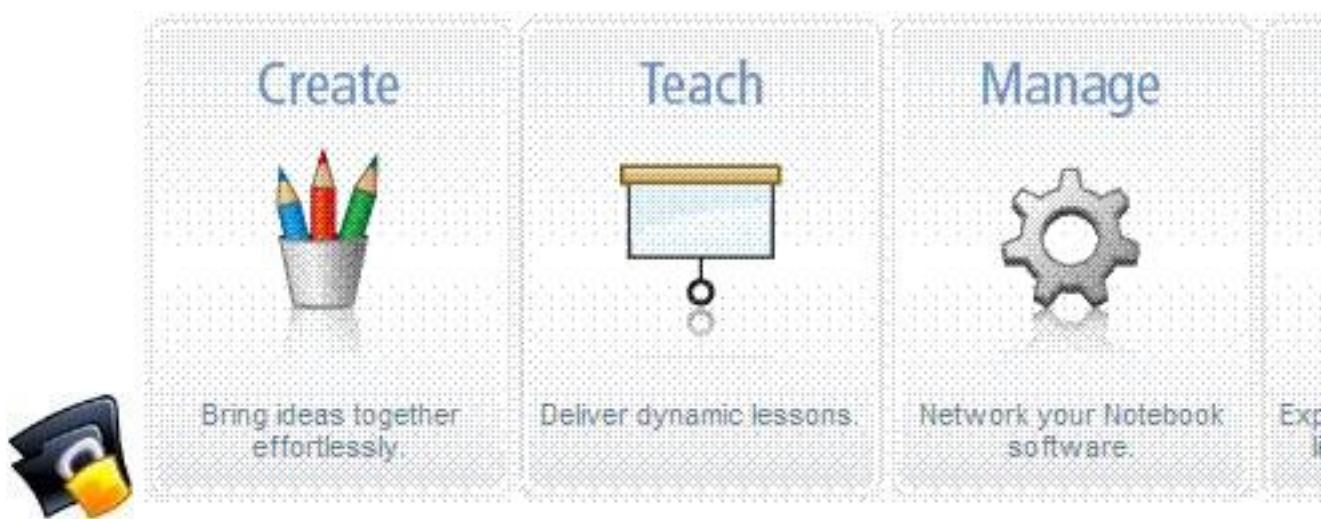

use of interactive board.

The image shows a screenshot of the Microsoft OneNote software interface. The interface is divided into three main sections: "Create", "Teach", and "Manage".

- Create:** Represented by a pencil icon. Description: "Bring ideas together effortlessly."
- Teach:** Represented by a whiteboard icon. Description: "Deliver dynamic lessons."
- Manage:** Represented by a gear icon. Description: "Network your Notebook software."

On the far left, there is a small, dark blue icon with a yellow and orange circular graphic.
